

# *Learn Japanese*

*At Japanese Language School of Cleveland (JLSC)*

*1857 South Green Rd. S. Euclid, OH 44121*

JLSC offers classes for non-Japanese speaking students who are interested in learning Japanese language and culture. The classes are divided into two - Beginning and Intermediate.

Beginning Class is designed to practice and improve four basic skills: listening, speaking, reading, and writing. The language is taught through fun activities such as role-playing exercises, group conversations and Japanese traditional games. Those activities lead to improvement of self expression, vocabulary and grammar. Cultural activities such as the tea ceremony and calligraphy are incorporated into the lessons.

Intermediate Class is focused on reading articles which enhance knowledge of Japanese culture and history. Students speak freely in group discussions on various topics.
